Do you like old cars from the late '20s & early '30s?

Is the old car hobby for you?

Do you like family outings?

Do you like meeting people?

If you answered "yes" to any of the questions above, you may want to join our club. Since 1961, the **Western Massachusetts Model A Ford Restorers Club** has been enjoying Fords dating from 1928 to 1931 and having fun with our families and friends!

You don't have to own a Model A to enjoy these great cars. You do not need to be a mechanic, but it helps to be willing to learn. Parts for these cars are readily available and less expensive than new car parts. We can help you locate a car.
